# PRIDE WEEK AND SNOW MAKE EARLY APPEARANCE

This year's pride week broke from tradition. Instead of ending with the Bell game against Stuart it ended with a game against Annandale. As always pride week was full of spirit. The halls were decorated with everything from "Divisez les Atoms" stickers to full size Atom's football players hanging from the ceiling. Each day had its own theme. Some of the hardier students even braved the snow and came in togas on toga and '50's day. It all ended with a well played game against Annandale.

Time proved to be on Annandale's side.

Keyettes say it all.

Seniors show their artistic ability.

# "WELCOME, BABY JAGS"

"I remember when . . .!"

N. Walters

"That's a freshman for ya!"

On August 31, 1979, the new students, who were soon to be the class of "83" came to Falls Church. The purpose of this was for the students to become oriented with the school, and to get a glimpse of high school life. After a short introduction period the freshman were familiarized with various aspects of Falls Church, such as organizations, clubs, classes, teachers, etc. . . . When the students were asked how they were getting along, most said "very well". The teachers and other students were said to have been very helpful when a freshman needed directions to a certain part of the school. It seems that the Baby Jags have adapted very well to high school life, and will have no trouble spending three more years at Falls Church.

# SPELLING BEE GETS AN "A"

The Annual All School Spelling Bee began in the English classes in November and finished in front of the PTSA at their December 5 meeting.

Most students participated in the spell downs in their English classes. The winners then went to the semi-finals which were held during classes at the end of November. The winners from each grade level went on to the finals before the PTSA.

## BAND EXTRAVAGANZA

A capacity crowd jammed Weber Stadium on October 20, 1979, to witness the third annual Falls Church Tournament of Bands. Twelve bands, representing five states and the District of Columbia, competed for top honors. The bands were, in order of performance: Statesville of Statesville, N.C.; Fairmont from Fairmont, W.Va.; Kempsville of Virginia Beach, Va.; Mount Vernon from Alexandria, Va.; Annandale from Annandale, Va.; T.C. Williams from Alexandria, Va.; Hanover from Hanover, Penn.; Cardozo of Washington, D.C.; Lake Braddock from Burke, Va.; Ft. Hunt of Alexandria, Va.; Cedar Cliffs from Camp

Hill, Penn.; and Sprayberry of Marietta, Ga. Also performing in an exhibition role was the world-renowned Falls Church High School Marching Jaguar Band. The evening was filled with pistol shots, trumpet solos, devastating drumming, and best of all, the true All-American band sound. When the ovations subsided, the Sprayberry "Band of Gold" had captured first place. Fort Hunt's "Federals" snagged second, the first local band to place in the history of the tournament. Third place went to Hanover (also known as the Hanover band). An excruciatingly enjoyable time was had by all.

The Falls Church band welcomes the competition.

# PEP RALLY TRADITION CONTINUED

Another picture, another smile for Karol.

When Coach Fish talks, **everyone** listens.

Over the years, Pep Rallies have been a much enjoyed tradition at Falls Church. But, the difference in this year's rallies is to be contributed to a new spirit instilled in the students! It's extremely difficult for a person not to become excited when everyone else around him is screaming, while the band is playing, and thirty-three girls with green feet are cheering. Moreover, the addition of Coach Fish was an asset. Mr. Fish got the crowds on their feet, and the student body to really get rowdie; demonstrating the spirit that is ever present at all of our activities. The green and white is always flying high at Falls Church High.

# THE RING OF VICTORY

Even though the bell Pep Rally was postponed, the students at Falls Church welcomed Mr. Richard W. Johnson, the principal of J.E.B. Stuart. He returned the bell to Falls Church. The cheerleaders, with the help of Coach Fish, got the student body involved in welcoming him. The seniors gave the biggest welcome by winning the spirit cheer. Mike Grayson and Mike Reeves accepted the bell for the team. Then the team joined in the rejoicing with the crowd by ringing the long awaited bell. Despite the rumors, Falls Church and Stuart will continue their rivalry and play for the bell. So come on Jags let's keep that bell!

This year's Homecoming weekend was one of the most memorable for F.C.H.S. The fun started Friday night with the football game. During halftime, all of the floats that everyone had worked on so hard, were brought out to be paraded around the field. The theme was "animated characters", and much imagination was shown in the finished floats. The winner in the class competition was the senior class with "Sorcerer's Apprentice". The winner in the organizations contest was the band float with "Kermit the Frog." The evening was made perfect by the Jaguars' victory over Edison with a score of 14-7.

Saturday night was reserved for the long awaited dance. The evening was centered around the theme of "Still" by the Commodores. It was presided over by Beth Basalyga, Homecoming Queen, Lenore Dick, Maid of Honor, and the rest of the Homecoming court. The music was provided by "Highway Friends", a local band. Everyone had a great time, and it was a weekend to remember.

# BATTLE OF THE SEXES

Could the year be complete without a Battle of the Sexes? It seems not because the traditional basketball game took place on Friday, March 14 in the main gym. What student could not laugh as the Boy's Varsity basketball team, in their boxing gloves, tried to outwit the aggressive Girl's basketball team? This bunch looked like a remake of one of the Laurel and Hardy silent pictures with all their outrageous antics. Oh, and of course we can't forget the "cheerleaders" — all 9 of them on the court in pigtails and skirts, flashing their smiles, not to mention a few other things. The evening was surely fun and each team came out a true winner.

For an entire week a bunch of crazy seniors and underclassmen went around collecting money. They did a good job too, because they grubbed approximately \$500 for the class of '80! On Friday, the chosen characters dressed-up in their best hillbilly attire to square dance and hog tie their favorite guy or girl. The dance, sponsored by the Seniors, was even more fun. Marriages were performed for only 50¢ and this entitled the couples to be hitched for 4 months, wow! This Sadie Hawkins will be long remembered by the seniors and those who attended it!

This years Magazine Drive sponsored by the Student Government, was a great success. As usual, it proved very profitable for the many clubs and organizations at Falls Church. Students could designate which club they wished the profits to go to. One of the many items people received for their efforts was a weepie. These enabled the student to get a candy bar for wear-

ing the weepie at the right time. Also, tokens were given out that entitled the holder to play a pinball machine during lunch. Two subscriptions enabled a student to legally skip class during second and third periods, in order to see the movie "Superman."

Set in a brooding Victorian mansion high on a remote bluff above the Pacific Ocean, the play centers on the rich and eccentric Minerva Osterman, who has called together her potential heirs for an advance reading of her will. She knows that it will please some and disappoint others — unless they take the sinister steps necessary to protect their interests.

Having been confined to a wheelchair for many years, the ailing and irritable Minerva Osterman has turned her isolated mansion into a virtual prison not only for herself, but for her spinster daughter, Stephanie; her long-suffering housekeeper, Nora; and her personal physician, Dr. Adler. Fearing that her death may be imminent, Minerva has drawn her will and summoned her two nieces, Mary and Belle, so that she may confront all her possible heirs in person, and watch their reactions as the will is read. She had asked her nieces to come alone, but they arrive with their respective fiances, whom Minerva allows to stay. Before revealing the contents of her will; however, she has the mysterious Dr. Adler put her into a hypnotic trance, during which she picks up a deck of cards and turns over the three of clubs — the card of death. Her prediction is that someone in the room will die before the weekend is over — a prediction which comes true when she herself dies of a spider bite. After that, more bodies turn up, and fear and suspicion grow among those remaining.

Measurements for cap and gowns marked the beginning of the preparations for graduation. Everybody hoped they'd miss lots of class, but it was all over soon. I just got my hair cut so it might have to be bigger.

Captain 20 gets his moustache singed.

On Saturday evening, January 12, 1980, the annual Ms. Falls Church pageant was held, sponsored by the Drama Department. Thirty-two girls took part during the first week of rehearsals, but that number diminished as the pressure was put on. Finally, the long awaited night arrived, and twenty-six lovely girls opened up the show with a sharp dance to the song "Fantasy". The girls were then introduced individually, first in casual street wear, and then in evening gowns. (They all could have been the next queen.) Soon enough the semi-finalists were announced and the talents began: several piano pieces were performed along with a unique pantomime routine by the "to-be" queen Lisa Greenquist. Sue Witthaus, 2nd runner-up sang a Barbara Striesand song with professionalism, and 1st runner-up Cindi Lloyd did a slideshow with an accent. The evening was a success, and Katie O'Donnell, Miss Congenialty, really demonstrated the spirit and the fun that the girls had with this year's pageant.

The Prom was held May 17th at the Quality Inn, in Crystal City. This proved to be the event of the year. For the first time in Falls Church history, a male was elected to the court, Audrius Barzdukas. Queen, Jeanne LaViolette and Maid of honor Andria Brummet led the dance to "The First Time", by Styx. The Junior class put a lot of time and effort into making the evening a fantastic memory.

A school phenomenon Audrius Barzdukas is known by everybody. He has become famous for his rousing renditions of the morning announcements, his wrap around glasses, and girls scribbling on his locker. Audrius has also been helpful academically. Last year he taught the American Civ class how to speak Lithuanian and this year he keeps the humanities class entertained.

These are the four characteristics emphasized by the National Honor Society. Members of the Society do many helpful things around the school. They tutor other high school students and sometimes elementary children. Often they assist with College Night and help hand out report cards.

# ELECTIONS HELD AT STATE

Boys and Girls State are sponsored by the American Legion. To be chosen for this week long activity, students were nominated by their teachers and then selected by the Legion. At State, the participants learned about government through lectures and participation in elections, for a city government. This year Virginia Boys State was held at Lynchburg College. Girls State was at Longwood College and D.C. Boys State was held at Fort Belvoir.

To be able to take part in this program students were first nominated by their high school and then went through an admission process which included writing essays. Roughly two thirds of the applicants from all over the state were accepted. There were many courses available such as music, art, computers and psychology. The participants chose two of those. There was also many special interest groups and social activities.

## S. G. LEADS ACTIVE YEAR

Student Government was on the move from the beginning of the summer — from preparing for the new year of students, to sponsoring the Sweetheart Dance. They are to be congratulated on their fine job. They organized another successful Magazine Drive, and were responsible for purchasing a new color xerox machine. The cabinet was made up of all females, with the exception of the "humorous" Mr. Barzdukas. The officers and sponsor, Mr. Campbell, made it possible for the students of Falls Church to have a more pleasant year.

## LEGISLATORS FLASH A BIG WAD!

The legislators of the Student Government meet twice a month, and are by far one of the active groups in the school. Their activities, this year, included allocating money to the Literary Magazine and the Jaguar Journal, arranging student exchanges, and the purchasing of a \$3000 Thermophax copier, to benefit school organizations and the PTA. The legislators are made up of five representatives from each class.

# SAC ACTIVE IN COUNTY-WIDE POLICIES

This year the Committee Chairmen helped the S.G. in heading up such things as organizing dances, running elections, and keeping the various calanders in the school up to date. Without this group of people, who are do not always seem important, many S.G. projects would not have been successful.

## COMMITTEE CHAIRMEN ASSIST STUDENT GOVERNMENT

Front: Jim Mosher, Cindi Lloyd. Back: Jim Cox, Dana Lewis, Richard Powell, Chairperson for Area II

The Student Advisory Council was active in many county-wide policies. They were responsible for distributing sex education questionnaires to volunteering students and the campaign to better area programs. They also continued to try and find an acceptable grading scale, while working hard to regain the student School Board Representative's vote. It can be assured that this group wasn't idle throughout the year.

# CIVINETTES HAVE "WILD AND CRAZY" TIMES

The Civinettes took a new turn this year, and were off on the right foot. The membership of the club drastically increased once the Spring 1979 try-outs were held. The girls were well represented through-out the year at such events as the NARC picnic, regional convention in Pennsylvania, and as a school service club. Active members raised money for several charities, such as, March of Dimes and Easter Seals, through community grubbing and bake sales with the best "Mississippi Mush" found around here. Ms. Foland, the Civ's sponsor, brought a "new" image to the club, along with some wild and crazy ideas. The Falls Church Civ club is here to stay and is far from becoming non-existent — that's for sure!

## GERMAN CLUB ADDS CUSTOMS TO F.C.

The F.C.H.S. German Club worked this year to add some of the German customs to our school. Sponsored by Annette Johnson, the club had many activities planned. The faculty tea at Christmas was again successful this year. Members donated a German dessert they made themselves. In the Spring the club's plan included picnics, dinner at a German restaurant and a trip to visit Busch Gardens in Williamsburg. A candy sale helped to support the club and the German Department.

## Latin Club Revives Roman Culture

The Latin Club was sponsored by Mrs. Marilyn Welsh this year. The membership increased from last year. The members, with the leadership of President Laddie Estabrook, were involved with the Latin team working with them on certamens, JCL convention, a Roman Banquet and a Saturnalia. This summer they are planning to go to the National JCL convention at the University of Tennessee. The purpose of the club is to revive the culture and civilization of the ancient Romans.

## Young Spanish Club

This year's Spanish Club had many new members. Even though they were new all the freshman joined in and got involved in the club's activities which ranged from having bake sales and attending soccer games to going to spanish restaurants and having a Christmas tea. President Robin Connor said that everybody had a fun time throughout the year.

## FRENCH CLUB SAMPLES CUISINE

The French Club is under the sponsorship of Mrs. Young. Twice a month they meet to discuss the culture and the language of the French. They also plan for activities. They held a French dinner in December for the Faculty Christmas Party. They also sampled French cooking at a local restaurant. They hoped to visit the French Embassy.

## KEY CLUB PROVIDES SERVICE

Shifting gears to provide more service to the community, the Key Club's main objective this year was to increase their membership. Among their activities was the decoration of a hall for pride week. Although their activities were not very successful as fundraisers, they did generate more interest in Key Club activities — especially through their week-long bake-a-thon. They also volunteered to assist their sister club, the Keyettes, in the blood drive. Altogether, the club, sponsored by Mr. Lunsford, had a great time this year.

## KEYETTES HAVE ACTIVE YEAR

The Keyettes were very busy this year. They started the year off with a bake sale which was a huge success, as usual. Toward the spring they had a membership drive. During Homecoming, they had a Snoopy float and they also decorated a hall for Pride Week. At Valentines Day they sold candy-grams and carnations. They again went skiing, and had a hum-dinger of a time. This was a very exciting year for the Keyettes and they hope next year will be even better.

# "THIS WAS SO MUCH FUN!"

As yet another year at Falls Church presented itself for documentation, the yearbook staff prepared for the onslaught of company deadlines. Skills ranging from photography to artwork, graphic layout and copy writing, not to mention general bureaucratic ability and organizational knowledge, were utilized in the production of the book. Attempting to capture the F.C. experience from academia to athletics, was the task of the 1980 Jaguar staff. The senior staff supervised and offered advice to the harried section editors in the inevitable flurry of layout sheets and photographs.

## Jag Journal Informs F.C.

In spite of the enormous pressure and confusion of meeting deadlines, this year's Jaguar Journal staff succeeded in providing an enlightening and informative publication. Although the staff was unable to attend the National Scholastic Press Association Convention, at New York's Columbia University, they managed to produce a journalistically sound publication.

## DRAMA CLUB DEVELOPS TALENTS

The Drama Club brought together some of the zaniest and most talented people at Falls Church. The common interest was Drama and the common characteristic was the ability to look at the world with a humorous eye. The club went on outings to see plays and early in the year they presented the comedy "The Importance of Being Earnest." Later in the year they staged Agatha Christie's murder mystery "Witness for the Prosecution" in the little theater. Members of the club not only served on these productions, but also worked on other productions throughout the year. The Drama Club developed dramatic talents and had fun at the same time.

## THESPIAN HONOR SOCIETY GIVES A SUCCESSFUL PERFORMANCE

The Thespians have to be the most unique honor society in the school. These creative people graduate into the Thespians only after much hard work. Before becoming a thespian you must experience a process called Neo-Phite day, during which the inductees must wear a costume to all of their classes with a blue "T" painted across their face. The annual Thespian production this year: "Web of Murder", was cancelled once because of snow. However, it was a success.

# FBLA Has Prosperous Year

The Future Business Leaders of America had a great time this year. They contributed much of their time to helping others. They had a cheese sale which was a great success and brought in lots of money. The annual "Ugly Teachers Day" raised money for the March of Dimes. The FBLA is a nationally known club with different chapters throughout the United States.

# DECA GIVES LEADERSHIP TRAINING

The Distributive Education Club of America was a very important program in the business department. This program offered an opportunity for students to gain valuable experience in the business world while at the same time, it aided students in developing their leadership qualities in the professional fields.

DECA members worked to refine their business skills through competition in such fields as advertising, display and sales. In all, it was a profitable year for each individual member of this organization.

## TABS DO GREAT CLEAN-UP JOB

The Torch and Banner Society, sponsored by Mrs. Corbin, was another active school service club. Members held bake sales, sold candy-grams, and cleaned the senior courtyard after a premature snowing (toilet paper). They also had a little bit of socializing on their minds as they took to the hills for a little skiing at the resort "Wintergreen." No broken bones were reported, but who's to tell with this bunch.

## WRESTLERETTES PROVIDE ENCOURAGEMENT

Wrestlerettes is an organization which helps to give the wrestlers the encouragement needed for victory. Money is raised to help support the athletes during wrestling season. Again this year, candy-grams were sold. They were a big success with the student body and a profit was made. Although there was a decline in membership this year, the Wrestlerettes, in their fifth year, are still active.

"When did they start spiking the water fountains?"

Another year has passed and a season of exciting sports has been completed. The Varsity Cheerleading squad was there rooting the teams on to victory — in between a couple of defeats. Satisfaction really came for the girls when the crowd got on their feet and were rowdily helping to cheer the Jags along. Varsity had an especially memorable year for they participated in a charity sponsored basketball game, raising money for the football program, and cheering at "It's Academic." This year was special and unusual, for the squad had ten seniors who soon will depart. Getting it together was a real task, and the girls met the challenge head on and did a great job!

# JV CHEERLEADERS SPREAD WINNING SPIRIT

This year's JV cheerleaders started the season off last spring by cheering for soccer and baseball, continuing with the girl's hockey, football, basketball, and wrestling. A few of the cheerleaders also cheered enthusiastically for the It's Academic team on Channel 4 in December. Although they lost their original captain and recruited a former frosh cheerleader in the middle of the year, they managed to keep things running smoothly, and spread that "winning spirit" throughout the school.

## Frosh Cheerleaders: A Winning Beginning

The Frosh squad, compiled of eight girls, appeared to really be at home; from cheering at the Baby Jags football games, to the Pep Rallies. The girls, being new, had a few expected problems in the beginning, but they showed their talents at the Varsity girls Basketball game, where they made out like pros, bringing the crowd to roaring cheers and hoarse voices. The Frosh Cheerleaders had the Jaguar Spirit in everything they did.

# ANOTHER SUCCESSFUL YEAR FOR THE MARCHING JAGUARS

K. Brescia

F.C.H.S. Band tries for another win at Statesville, N.C.

K. Brescia

The Marching Jaguar Band experienced another successful year in 1979-80. Under the leadership of Drum Major Jay Watkins, the Band performed at Fairmont, West Virginia, and Hanover, Pennsylvania. The Band then took first place awards at the Statesville, N.C. Invitational and the Mount Vernon Invitational. On November 3, 1979, Falls Church placed first in the preliminaries at the MBA Eastern Regional Championship, and followed that with a third place in the night final. After its brief indoor season, the Band travels to St. Petersburg, Florida to represent the state of Virginia in the festival of States. Director Jim Stegner and Assistant Charles Hiebert have once again made the Jaguar Band one of the best in the United States.

And they do it again.

## Symphonic Band

When winter set in, the Band comes indoors and divides into the Symphonic and Concert Bands. The Symphonic Band is composed of members who scored highly in their individual auditions. Competition and musical quality are both tremendous in the Symphonic Band. Under the direction of James Stegner, the Symphonic Band performed at the Christmas Concert, The Spring Concert, the County Festival, and the prestigious John Philip Sousa Concert. The greatest performance, though, came when the Band represented the Commonwealth of Virginia at the Festival of States Concert Competition in St. Petersburg, Florida.

## Concert Band

The musicians who do not perform with the Symphonic Band enter the Concert Band. The Concert Band, under the direction of Charles Hiebert, Performs at all the Band Concerts throughout the year. The Band also competes at the Annual Fairfax County Band Festival.

## STAGE BAND PERFORMS WELL

"If it feels good, play it!" should be the motto of the stage band. Led by Mr. Stegner, the Stage Band presents a wide variety, centered on the jazz and "big band" sounds. The band performs at many community functions, and is a welcome change of pace at all band concerts. The Band also scored highly at this year's County Stage Band Festival.

This year's Varsity football team improved under its newly acquired coach, Mr. Fish. Their 6-4 record showed that their new coach was able to organize the Jags and lead them to a more victorious season. They played an excellent season, brining many impressive victories. Coach Fish brought a lot of inspiration to the Jaguars and should prove to be not only an asset to the team, but also to the school.

One of the most exciting victories was the Stuart bell game. The Jags pulled through to win back the bell for Falls Church. It was presented by the Stuart principal to Mike Grayson and Mike Reeves.

The Jaguars produced a superb offensive line this year. Coach

Fish hesitates to credit individuals with outstanding performances since he states that all were outstanding. The defense gained needed support through their seniors Kevin Furbush, Terry Staples, Chris Ball, and Jim Lynch. Added support was received from Joe Tassi, Randy Perry and junior Steve Clark.

The offense was strengthened by Mike Grayson, Frank Grant, Shaun Shifflet, and quarterback Mike Reeves. The team suffered a great loss when Mike Reeves was injured but junior Bill Wheatley picked up and brought the team through the remaining games. This years team was successful and they show promise for the future.

## JV PAVES THE WAY TO VARSITY

The JV football team did not quite have the season they had anticipated. But their 2-6 record does not show the hard work that this team put forth. The team was led defensively by sophomore Timmy Staples. Offensively the team was headed by Gary Culbreath, Mike Lusick and Howard Bergen. This team has many promising individuals and Coach Clarke feels that they should fill in the holes that are left in next year's Varsity squad.

The Freshmen turned out an outstanding season, ending with a 6-1 record. Leading the offense was quarterback Dale Balderson. Backing him up were Jimmy Jones, Morris Harrigan, and Andy Hoskins.

The defense was led by linebacker Chuck Miller with Tim Chevalin and Keith Harms giving added support. The team worked hard and shows real promise for their years at Falls Church. They should make a fine JV squad next year. Coach Tice states, "The whole team is outstanding. This is the best feshman team I have ever coached."

## "ONE BIG FAMILY"

The varsity hockey team started their season out with a bang. "The seniors took charge and were the core of the team by keeping things going smoothly with the other seven players. They made it a good progressive season," said Coach Reynolds.

Their record of 5-4-2 and 4th in districts explains why this is so. The team as a whole had some experience. The ones that didn't have experience soon became skilled and aggressive due to their own initiative and the desire to be better. The experienced and inexperienced soon pulled together and the desire to place in districts was their main goal.

Coach Reynolds said, "This is one team that acted as a family and I am very sorry they have to break up."

## “LACK OF EXPERIENCE”

The J.V. Hockey Team was a young inexperienced team with tremendous spirit. Their record of 1-2-6 showed they were willing to fight whether they won or lost. The two returning players, Terry Brocato and Lynn Honeycutt, provided the leadership and guidance needed to get the team to pull together. The only real problem they had was inexperience.

The 1979 Boy's Cross Country team improved this year through much hard work and determination. The team ended it's season with a 3-3 record and came in 3rd place in a Regional Districts. The team was led by junior Tina Dolan and sophomore Bob Boyle. Other returning lettermen who gave added strength to the team were sophomores Joe Hepler and Matt Prescott, and junior Vince Nicchitta. Since all runners will be returning next year the team should have much success in the future.

The Girl's Cross Country had an excellent season this year, finishing up with a 5-1 season. With this record they advanced to Districts to capture 3rd in the championship race. The team was led by sophomore Tina Barzdukas and junior Anne Fontaine. Outstanding performances were also produced by sophomores Nancy Elliott and Kim Johnson; junior Alison Breland, and freshman Kim Johnson. This was an outstanding group of girls and they should prove to be a District threat next year.

Competing in the doubles tournament were Nora Steigerwald and Debbi Badger as a team, as well as Allison Brunton and Connie Hawkins. The Girl's Varsity Basketball team had a great season this year. They showed great potential to be a good team in the future. Under the coaching direction of Miss Sandra Reynolds the girls improved on their basketball skills considerably. The girls did not lack in spirit or perseverance that's for sure. The girls gave it their all during the long, hard hours of practice to be able to play to the best of their ability. Each of the girls gave their individual support and confidence to each other in order to come out playing like a team. Their support carried out into the people who watched them play. Although there were many disappointing moments, the girls managed to hold their heads high and display true Jaguar spirit.

The Girls J.V. Basketball team had a good season this year. They showed great potential to be a great team in the future. Under the coaching direction of Mr. James Thorpe the girls improved on their skill considerably. The girls practiced long and hard after school to be able to play to their fullest potential. The girls gave each other support and confidence. That support and the support from the people who came out to see them play carried them through the season. The team is looking forward to an even more successful season next year. With such a young team there is great hope and promise for next year. They will make the future Varsity team one to be proud of.

## Baby Jags Win

FCHS Freshman Basketball team coached by Mr. John Whitney had a very productive season, finishing with a 7 and 5 record. The team was lead by captains John Kerr and Andy Hoskins. Both players were very consistent. Bernard Gray and Ricky Freeman, both excellent shooters, show great promise for the future of FCHS. Paul Alexander showed great strength under the boards and blocking shots as did John Borbonus and Tom Smith with Charles Hargrove, Phil James, Kelly Woolf, and Luis Espejo doing an excellent job coming off the bench.

The Varsity Wrestling Team had a successful season this year under the coaching of Mr. Wilcox. The Team practiced many long and hard hours to perfect their form. The team helped each other throughout the year and relied on each other for confidence. Their enthusiasm and the great support the school gave them, helped them throughout the season. The team was able to keep up the winning tradition that Falls Church High School students have been accustomed to in the past couple of years. We are sure that the "Jaguar Power" displayed by the team this year will continue next year. The team won the St. Stevens Invitational Tournament. They were also runners up in the district competition. The Jaguar team also qualified three wrestler for the state meet: Carl Miller, Paul Gallahan, and Bob Rike.

The young teams hard work payed off. The valuable experience that both teams got will pay off next year. It required alot of individual hard work and team effort to pull of the great season they had. The school can look forward to another winning season next year as is the the tradition at Falls Church High School.

The boy's and girl's Indoor track teams had a great season this year. They had a lot of new freshman blood this year. Coaches Wells and Morris did a great job getting the team into top shape. The team spent its practices running laps around the track outside despite the weather, as cold or as warm (rarely in the winter) as it may get. The hurdler's also practice jumping hurdles. This past season they can be sure that their hard work payed. They are winners all the way. They are one team that Falls Church High School students are very proud of. By the looks of the team this past year and those that are returning next year, we can look forward to a wonderful season.

1979-1980 Falls Church Swim and Dive season proved to be an interesting and challenging season. Bus transportation was provided daily for our swimmers and divers to Wakefield Park. Mike Lusick prepares for take off.

This year's boys track team had many good points. The 880 relay team was very strong as were the hurdlers. The high point of the season was the victorious meet with Jefferson. This young team shows much promise for the future and should improve on its' 3-3 season next year.

The girls team, although it posted only a 1-3 record, also shows much promise for next year. Many of the team members will be returning next year, and will provide a solid base for future teams to build upon.

## Softball Sizzles

The girl's softball team posted a 2-6 record. The pitchers were Julie Jones and Lyn Bibby. Maria Lusick, the catcher, felt that the major stumbling block to a better season was the inability to function as a single unit. She said that many of the girls were very good but that there was a problem when they played together as a team. Coach Thorpe felt that there was a lot of skill in the team, but they just needed more time to bring it all together.

Krys Waleki is already to make the big play.

## J.V. Softball Comes Home

The J.V. softball team played an excellent season this year. With a large string of victories behind them the coach felt that the team has great potential for the future. Many of the members exhibited great skill and above all good sportsmanship. We all wish them good luck for the future.

Hurry up and throw the ball!

## Kick The Ball

For the Girls J.V. soccer team, this was a year of learning. Many of the girls were new to the sport of soccer. They played well, but were out scored by the opposing team. As there were a good number of freshmen on the team, the team should have a good future.

Back Row: Coach Inguagate, Julie Jones, Maria Lusick, Amy Cantwell, Robin Connor, Trice Ahearn, Mary Miller, Janis Brooks, Stephanie McCann, Michelle Larson; Manager.

## Girls Varsity has Trying Season

This was a trying season for the girls on the Varsity team. Although they played well, they had a hard time defeating the opposition. Team captains Jeannie LaViolette and Cathy Jackson led the team to play well. The team is young and should have a good season next year.

First Row: Kim Johns, Agnes Vivaldi, Amy Haupt, Kristi Hanst, Geeta Karanweil, Andrea Brummitt. Second Row: Megan Evans, Margo Kent, Sandy Monohan, Trish Bostian, Vicki Fugate, Carol Piolunek. Third Row: Tany Alva, Regina Moore, Martha Corral, Deana Clayborne. Coach Tice.

## J.V. Meets Goals

The J.V. Boys soccer team worked together very well as a team. Though many of the players were new they all learned to play well and how to function as a team. So far they have posted a good season and they will definitely do better in the years to come.

## Varsity Suffers Loss

This years varsity team lost many valuable members who graduated last year. Even though their season has not been anything spectacular the coaches are working hard to shape them into an impressive, strong team. With the support of some rising J.V. team members they should make a great team.

Front Row: Viken Dovdaklin, Paul Woodside, John Kerr, Bryan Pommer, Mike Kresky, Roff Williams, Rory Watt. Back Row: Tom Dukeman, Ralph Perkins, Craig Meyers, Rick Potts, Doug Stroud, John Myrre, Mark Krynsinski, Benard Grey.

# Baseball Has Winning Seasons

Both of these year's baseball teams had excellent seasons. The Varsity team won with the pitching of Bobby Lamon and Rich Savveur. The main problem this year was when the varsity field was ruined by vandals and forcing the team to play all their games away. The J.V. team also played well under the coaching of Mr. Beto.

This year's golf team, led by star player Paul Holland, posted a good season. Though several of the team's members have little experience the captain, John Burke, said that he

was very impressed with the way the team played. Everybody on the team had a good learning experience and got along very well.

## Tennis Raises A Racket

This year's tennis team though only getting a 7-7 season record played very hard and many of the team members had great individual strengths which were brought into play. The captain, Naren Tayal, said that Fran Crookston was the best person on the team. He had shown great skill and good

sportsmanship. Coach Wilson also felt that Fran had been an asset to the team. Many of the team's members were sophomores and the coach feels that they will only get better as they continue.

# ADMINISTRATION

Dr. James Wilson "Doc" has been the principal at Falls Church High School for seven years. A graduate of East Texas State University, he holds both a Ph.D. and a Master's degree in sociology/speech. Among his many diverse hobbies are farming and motorcycles. He also enjoys playing his guitar, which he does annually for the American Civ. classes. He says, "The students and teachers at Falls Church have a fantastic amount of spirit and pride." As to the school's future, "I can only see things getting better and brighter." Falls Church is extremely fortunate to have such an example of capable leadership.

# CLASS OF '80

The first class of the decade, the class of 1980, is going out with a great record. Throughout their four years at Falls Church the people who make up the class have continually shown a tradition of academic excellence and strong school spirit. They worked hard on all the drives and fund raisers and supported all the teams.

The last year has been full of challenges; trying to look like you understand what Mr. Dowell is saying, not smiling while you sell the freshmen "elevator passes", hoping that you won't run into Mr. Stepp while heading to your car to go to lunch.

Next year they are all going to have to start off on the bottom rung again. But they are going away with a great record. They are all going to different places from the big Ivy League colleges to the small local ones, or right into the job market. Wherever they go though, they are going to have a lot of good memories to take with them.

# JUNIORS HAVE ONE YEAR TO GO

M. Chapman

Front: Richard Powell, Cabinet Officer; Scott Elder, President; Jake Lowenstern, Vice-President. Back: Robin Conner, Secretary. Not Pictured: Linda Googins, Treasurer.

The end of another school year is upon us. For the Juniors it means they have climbed another step on their educational ladder and they just have one more step to go. From there they may go to college or straight to work. It is the end of adolescence and the beginning of life.

They have been working all year to meet their responsibilities. One of their biggest was the Junior/Senior prom. They spent most of their time raising money so that they would be able to present the Seniors with an unforgettable prom night which would linger in their memories forever. To be able to achieve this goal, they sold M&M candies and candles. They also sold chances to allow people to see the Cars and Doobey Brother's concerts at the Capital Centre.

They showed the school, on Homecoming night, the type of enthusiastic and talented people they were and still are, by winning second place with their Winnie the Pooh class float. It was Junior Class participation at it's peak. They showed how proud they are to be members of Falls Church High School by wearing their newly purchased class rings.

They made the Juniors proud to be Juniors. They pushed themselves as far as they could go. They had strong leadership, in the form of Scott Elder and Jake Lowenstern. They felt confident that they can make next year even better than this one. They have managed to make school a fun place to be. After all, "We're the class of sex and fun, we're the class of '81."

# SOPHOMORES HIGH SPIRITED

Front Row: Susie Hile, Secretary; Tony Hahn, President; Ann Wall, Treasurer; Mike Lusick, Vice President; Mark LaViolette, Cabinet Officer.

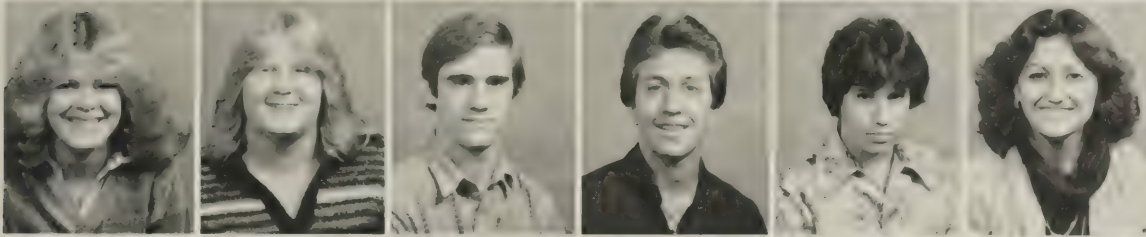

The class of '82 started their year off great with a Homecoming Float. Funds were raised through bake sales, candy sales, and a winter dance. Class spirit was high as exhibited on pride week and at the pep rallies.

One of their goals this year was to get everyone involved in the class's many activities. The sophomores have the potential and spirit to be one of the best classes to ever enter Falls Church.

# FRESHMEN START ANEW

D. Dewenter

Front: Kristi Knott, Vice-president; Lisa Dolan, President; Carie Gavigan, Treasurer. Back: Kathy Goodwin, Secretary; Margot Kent, Cabinet Officer.

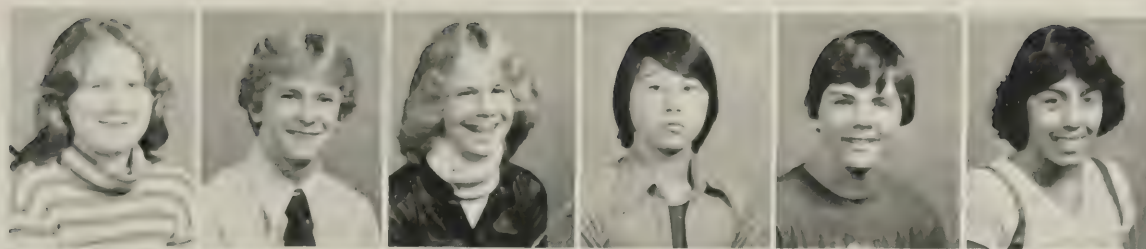

The Freshmen class of '83 promised to be one of the greatest, ever. Their goals were set higher than anyone else's and they have tried their best to reach them. In the course of the year, they supported the school's victorious teams by punctual and persuasive attendance at pep rallies and games, they made up one third of the fabulous marching band, and participated in the numerous and successful drives, bake sales, and candy gram sales.

They did their part during pride week by decorating their hall

with imagination and doing their best to raise the spirits and support of their fellow classmates at the end of the week pep rally.

At the Homecoming game, the combined efforts of many freshmen was represented in an enlightening float. Everything considered, the freshmen have made a joint effort in letting everyone know that the Freshmen Class of 1983 is the greatest class this school will ever see!

Another deadline passed, another thing to start too late and get finished before the time has gone too far. What is it all? Being near the end, the end of school. It is staying up late too many nights. Never leaving school until the sun has gone. So many locked doors. Staying up late too many nights. Wandering around in the early morning looking for something to drink and then going to bed. It's waiting until the last minute and then getting up to go to school early. Running yourself ragged. But there are beautiful times. Nights when you stumble in late and you look up in the sky and the moon is there among the tree branches. And it seems to you that the world is all right. That maybe all this running around is fun, because you are living.

What lies ahead as we stand looking over the top of the hill, hands in our pockets, looking nonchalant, on top of the world, so to speak. But as we all look down there is something that we don't know, something we cannot fathom. A challenge, tense, something to fight for.

Then it is all over. School is done, everyone has gone, laughing and smiling. And it all seems kind of funny and very happy. Forever gone behind but always there.

John David Zandler  
1964-1980
